3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 Sec. 1. RCW 48.31B.005 and 2020 c 243 s 1 are each amended to 5 read as follows:

4 (10) This section does not apply to an insurer, information, or 5 transaction if and to the extent that the commissioner by rule or 6 order exempts the insurer, information, or transaction from this 7 section.

(11) Any person may file with the commissioner a disclaimer of 8 affiliation with any authorized insurer, or any insurer or any member 9 of an insurance holding company system may file the disclaimer. The 10 disclaimer must fully disclose all material relationships and bases 11 12 for affiliation between the person and the insurer as well as the basis for disclaiming the affiliation. A disclaimer of affiliation is 13 deemed to have been granted unless the commissioner, within thirty 14 15 days following receipt of a complete disclaimer, notifies the filing 16 party the disclaimer is disallowed. In the event of disallowance, the 17 disclaiming party may request an administrative hearing, which shall be granted. The disclaiming party is relieved of its duty to register 18 19 under this section if approval of the disclaimer has been granted by the commissioner, or if the disclaimer is deemed to have been 20 21 approved.

22 (12) The ultimate controlling person of every insurer subject to 23 registration shall also file an annual enterprise risk report. The lead state commissioner shall request the 11 calculation from the federal reserve board under the terms of 12 information sharing agreements in effect. 10 <u>(d) If the lead state commissioner determines that an insurance</u> 11 <u>holding company system no longer meets one or more of the</u> 12 <u>requirements for an exemption from filing the group capital</u> 13 <u>calculation under this section, the insurance holding company system</u> 14 <u>shall file the group capital calculation at the next annual filing</u> 15 <u>date unless given an extension by the lead state commissioner based</u> 16 <u>on reasonable grounds shown.</u>

Insurers meeting at least one threshold of the scope 33 criteria are considered scoped into the national association of 34 insurance commissioners liquidity stress test framework for the 35 specified data year unless the lead state commissioner, in 36 consultation with the national association of insurance commissioners 37 financial stability task force or its successor, determines the 38 39 insurer should not be scoped into the framework for that data year. 40 Similarly, insurers that do not trigger at least one threshold of the scope criteria are considered scoped out of the national association of insurance commissioners liquidity stress test framework for the specified data year, unless the lead state commissioner, in consultation with the national association of insurance commissioners financial stability task force or its successor, determines the insurer should be scoped into the framework for that data year.
